The Prez Sez ...

Hello Philmont,

It's time to dust off the radio gear and start making some contacts. On March 4th and 5th the ARRL is having its International DX-Phone contest. I would love to see a Phil-Monter be up near the top of the list. Any member who partakes in the contest please forward your score so we can track it, and post in the newsletter. Why not have friendly competitions between club members?

If you have a unique operating setup that may benefit other club members please forward it to me and I will make sure it gets posted on the website, Facebook and the newsletter. I will start that off by directing everyone to YouTube and view my crazy End fed wire that I use for HF. Here is the link www.youtube.com/watch?v=aKfg786i_Cg&t=10s.

March Meeting will feature Walt KB3SBC. He will do a presentation on his yearlong NPOTA adventure. Walt is a good friend of the club and you will be sad if you miss it. I want to challenge all club members to try and participate in the nets on Sunday morning. There is a 2 meter and EchoLink net on the repeater at 09:30 and at 10:00 AM a 10 meter net followed by our 75 Meter Net at 10:20. Don't forget our DEN our digital net on Tuesday nights at 7:00PM. If your antenna has fallen to weather and need help putting it back in service please let us know and maybe we can find a rescue team willing to take on the project.

Hopefully please listen to the nets and read the emails from the Philmontmobileradio newsgroup. We are working on our tentative first Phil-Mont Radio Club lunch/breakfast on March 18th. Times and locations will follow.

If anyone has an idea please send me an email at nc3u@arrl.net or at nc3u@verizon.net.

Don't forget that Phil-Mont has a Yahoo mailing list. This is one of the best ways to get some up to date news on things going on at the club. Look up philmontmobileradioclub in the Yahoo list and you will find us.

I hope to see everyone at a meeting and have the opportunity to shake your hand.

Remember we are not a club without YOU

73, Sal NC3U

There is a Saturday session on the 11th and the Thursday evening session is on the 23rd this month.

As always, many thanks to our VE team!

***Phil-Mont Birthdays
& Tidbytes***

MARCH BIRTHDAYS

- 01 John Furlong – KC2TUT
 03 Elaine Spencer (Honorary Member)
- 06 Tina Furlong (XYL KC2TUT)
 Bryan Kobe - KB3WHR
- 08 Bill Hewitt - W3FRB
 09 Fayette Toren (XYL N2MT)
- 12 Lamonte Cuff - AB3LC
 Linda Gianios - (XYL WB3DZZ)
 Tricia King - (XYL WBEBPI)
- 13 Rosemary Canuso (XYL N2ATB)
 Ben Johns - K3JQH
- 15 Dottie Scialdone-Maresca - K3YPH
- 22 Lee Adams - KB3YFG
 23 Jane Hewitt - KC3FSR (XYL W3FRB)
 24 John Wright – K3CHR
- 27 William (Red) MacKenzie - W3RED
 28 Barbara Stein (XYL KB3AFH)
 Tony Canuso – N2ATB
- 30 Robert H. Rose – N3TWO
 31 Chris Ruhl - N3GBJ

MEMBERSHIP STATS

At press time P.M.R.C. has:
 109 FULL PAID MEMBERS
 11 FAMILY MEMBERS
 3 YOUTH MEMBERS
 1 HONORARY MEMBER

From the Secretary

Membership Meeting 2/8/2017

NC3U opened the meeting at 720PM. There were 20 members and no guests.

TREASURER'S REPORT

Dues are slowing down. KB3IV has stated he will be chasing down the delinquent members. Both scholarships are fully funded for 2017 with some left over. Thanks to all who donated.

REPEATER REPORT

W3AOK & WU3I spent 2 hours at the repeater on 2/4 and mounted the 147.165 cans on the wall behind the door. The side cover of the cabinet is now back in place and the PC is inside the cabinet. The only door not fully closed is the rear door. The new shelf mount for the PA fan is too big and needs to be cut. This will be addressed when weather allows. WU3I donated a micro PC to replace the existing PC this will be installed at the same time. Some trees growing behind the Shack were also removed. The rear exterior wall of the shack must be replaced and will be done when the weather allows. This will be a half day job at the minimum. All three repeaters are working just fine.

NEW BUSINESS

PMRC is in the process of scheduling a Breakfast somewhere. Any suggestions on location please contact NC3U. One suggestion was a diner in Conshocken.

PMRC will be investing in a Crimper for installing Coax Connectors on RG8, RG213, Belden 9913(all .405 diameter) and RG8X. We will provide the connectors or you can bring your own. This when aquired will be done by appointment only. You will provide the cable. The cost of the connectors will be the actual cost to the club.

Program was a Video of the new Shark RF Openspot which can be used for DMR, System Fusion and Dstar. More info at <https://www.sharkrf.com/products/openspot/>

Respectfully Submitted Steve, WU3I

XYL Eileen outside the Radio Society of Great Britain HQ at Bletchley Park. Great station inside...and I can't find the pictures!

The Prime Meridian with worldwide cities and their latitudes.

The Royal Observatory at Greenwich. It's on top of a BIIG hill!

ND3B with a foot in East and West hemispheres

March at Phil-Mont
